

CU TIMES WINTER 2024

OFFICIAL NEWSLETTER OF THE CHURCHBRIDGE CREDIT UNION

LANGENBURG BRANCH **UPDATE**

Significant progress has been made on our new building in Langenburg over the past few months. The metal decking, brick angle, and backfilling have been completed, while foundation insulation and cement board installation are still underway. Work on exterior wall framing and sheathing has been ongoing along with preparations for installing the roof joists. The weather has set the build slightly behind schedule, but PCL is hoping to gain some time back once the building has been closed in. We can't wait to get into this new space!

WELCOME TO THE TEAM!

GLENN COLLEY VP OF LENDING SERVICES

Born and raised in Raymore, SK, a short distance away from here. He has spent all of his credit union career in Saskatchewan. Starting in Raymore before moving north as far as Meadow Lake. He had a few stops in between before finally coming back to this area to be closer to his grandkids. He started out as a teller for a couple of years back in 1985 before moving into the lending side of things. After 39 years, he is looking forward to leveraging his knowledge to help our staff and members achieve their goals and aspirations for the future.

AUSTIN WEST VP OF DEPOSIT SERVICES

Originally from Dallas, Texas, Austin immigrated to Canada in 2004. After 9 years in Alberta, he and his spouse, Jill, made their way to their current home northwest of Kamsack where he joined the credit union system. A passionate wealth professional and team leader, Austin accepted progressive roles at two other credit unions before returning home from Winnipeg to join our team. Austin most recently completed his Certified Executive Coach designation through Royal Roads University and looks forward to leveraging his coaching skills to the benefit of our teams, the Saskatchewan Credit Union system, and the membership. Outside of work Austin enjoys camping, barbecuing, and taking the occasional trip.
