# CU TIMES

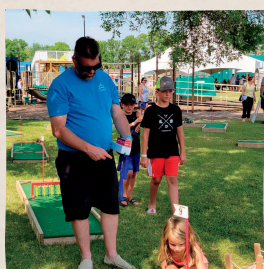

**CHURCHBRIDGE CREDIT UNION**  
Bringing Communities Together

## Giving Back to our Communities

When our staff aren't working hard at their desks fulfilling your financial needs, they can often be found out-and-about in our communities lending a hand!

This summer was busy with events, but our staff had a BLAST spending time with the great people we serve, and lending a helping hand during the numerous events in our service area.

**While we offer competitive rates & a comprehensive list of financial services, it's the addition of our incomparable member service & community support that makes us your ideal primary financial institution.**

## Welcome to the TEAM

**Ioana Adbi**

Originally from Romania, Ioana moved from Ontario to Calder with her husband and 11 year old son in 2021. After completing her education, she travelled around Europe and lived in Italy for several years. She returned to Romania and worked in a financial institution as a Treasury Cashier until 2019 before moving to Canada. Ioana and her family love spending time outdoors: fishing, kayaking, swimming, and camping as much as they can. She looks forward to being a part of the Churchbridge Credit Union family and is excited to put down roots as a member of the Churchbridge community!
