We had a fun day of financial literacy at the Langenburg Central School on May 14th. Grade 11 & 12 students from Esterhazy, Churchbridge and Langenburg schools joined us for a hands-on experience managing their finances for a month! Students were able to pick a career, then they were given their monthly salary and family situation and had to make ends meet! Some made it through and others had to trade in their brand new truck to buy groceries!

**CO-OPERATIVE DEVELOPMENT FOUNDATION CANADA** *Women's Mentorship Program*

From June 6 to June 15, we proudly hosted Juliet Amoako Adomah from Ghana, a country in West Africa as part of the Women's Mentorship Program initiated by the Co-operative Development Foundation (CDF) Canada.

Juliet currently serves as a manager at the Soil Research Institute Co-operative Credit Union. She excels in building strong team dynamics and managing goals in fast-paced environments.

Juliet was busy during her time here! Learning from our staff, milking cows, attending a church service, taking in youth soccer and baseball games, enjoying the great outdoors, touring Mosiac's K1 facility, riding horses, and celebrating Churchbridge's infamous June Daze!

We hope she enjoyed being here as much as we enjoyed having her!
