- Develops and implements operating plan and budgets for deposit services department.
- Evaluates member and market needs to identify and pursue new opportunities.
- Embraces change, encourages innovative thinking and continuously seeks ways to improve processes and services.
- Provides direction for the deposit portfolio, resolves complex inquiries and issues through detailed analysis, and develops and evaluates potential solutions.
- Identifies ongoing members needs, serving as a liaison between members and other credit union specialists to meet member needs.
- Proposes and recommends updates to policies and procedures for enhanced efficiency and effectiveness of Member Services.
- Keeps informed of industry and competitive trends that impact the business, maintaining thorough knowledge to inform the department and contribute to strategic decision-making.
- Leads, coaches and mentors deposit services staff, fostering an engaging and motivating environment.

QUALIFICATIONS

- Post-Secondary education in related field plus 5 – 7 years of job-related experience, or an equivalent combination of education and experience.
- Knowledge and experience in deposit services, wealth management, financial planning and investments.
- Demonstrated ability to coach, lead and mentor staff.
- Extensive experience in sales and building and maintaining strong relationships.
- Knowledge and understanding of credit union operations is preferred.
- Additional wealth management certifications such as Canadian Securities, Investment Funds of Canada, and Certified Financial Planner, are not required but would be considered an asset.

We offer a comprehensive total rewards package, including group benefits, pension contributions and professional development opportunities for career growth.

This is an excellent opportunity for a community-minded individual to be a part of a successful and growing organization.
